Fortune Telling

does not take into consideration the one essential to woman's happiness—womanly health. There is many a woman whose future seems absolutely unclouded who is marked by her own condition for future disappointment and distress.

The woman who neglects her health is neglecting the very foundation of all good fortune. For without health love loses its lustre and gold is but dross.

Womanly health may be retained or regained by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries the drains which weaken women, heals inflammation and ulceration and cures female weakness. It makes weak women strong, sick women well.

Sick women are invited to consult Dr. Pierce by letter free. All correspondence held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

"I have taken six bottles of Dr. Pierce's Favorite Prescription," writes Miss M. F. of Orilla, Simcoe Co., Ontario, "and two bottles of the 'Pleasant Pellets' as you advised for congestion of uterus, ovaries, and weakness, and can safely say that your medicine has been the means of restoring me to good health again, which I had not had for over three years, until taking your medicine. I thank you very much for your kind and prompt attention to my letter asking advice."

"Favorite Prescription" has the testimony of thousands of women to its complete cure of womanly diseases. Do not accept an unknown and unproved substitute in its place.

Dr. Pierce's Pleasant Pellets clear the complexion and sweeten the breath.

MARCUS MURDER TRIAL.

The court for the second trial of Curtis Jett and Thomas White, for the murder of James B. Marcus at Jackson, Ky., opened yesterday's session at 8:30 a. m. Fifty-one witnesses for the commonwealth answered to their names. Prosecuting Attorney A. T. Byrd, who conducted the commonwealth's side of the case at the trial at Jackson, made the opening statement for the prosecution.

While the defense has subpoenaed over 100 witnesses to impeach those testifying for the commonwealth and prove alibi for Jett and White in the Marcus murder case, the prosecution is also securing many valuable witnesses who could not be served during the first trial. An officer arrived yesterday from Breathitt county with Samuel Little, who is considered a stronger witness than either B. J. Ewen or John L. Patrick. It is stated that Samuel Little not only saw Jett and White before Marcus fell and again after the shooting but also that he witnessed the shooting in the courthouse. Little was arrested Tuesday night by the soldiers, while in hiding. Little is related to Curtis Jett.

John Freeman, another important witness for the commonwealth, who is said to have fled to the mountains during the trial at Jackson last month, was also brought in by a deputy. Both will be held until they are called by Commonwealth Attorney Byrd.

Capt. B. J. Ewen, the principal witness for the prosecution, was the first witness called by the commonwealth. After his testimony Judge Osborne asked him if he desired guards to take him across the river to camp. He said that he desired guards, and he was temporarily placed in one of the juryrooms until the military was called for, and they took him to Camp Licking. On the witness stand it developed that he had made different statements to Judge Hargis and others immediately after the killing of Marcus in Breathitt county. He gave as his reason that he was afraid of being killed then and there. This created some stir in the courtroom, and immediately after he had left the stand some applause was started, which Judge Osborne promptly suppressed.

DOUBLE DROWNING.

Plunging into the surf in a heroic but unsuccessful effort to save the life of Miss Merle Shannon, of Williamsport, Pa., Dr. Joseph Melvin, of Carbondale, Pa., lost his life yesterday afternoon between 4 and 5 o'clock at Atlantic City. The heroism and double drowning were witnessed by several thousand persons, who watched the life and death struggle in the breakers from the beach and the boardwalk. The tragic occurrence took place at the sea end of New Jersey avenue. The girl was in the water and was breasting the breakers a considerable distance from shore, when a powerful breaker lifted her off her feet and carried her into deep water. The current swept her around the end of the jetty at a point where the water is 15 or 20 feet deep. Not knowing how to swim, she began to struggle for her life and shrieked for help. Dr. Melvin had accompanied her into the surf. Without thought of personal danger, and knowing that he would be helpless in deep water, as he was but a poor swimmer, he plunged to his fate. Dr. Melvin struggled to the side of the drowning girl and caught her bathing skirt. He clung to it for a minute or more, when another breaker separated him from her hold. Three lifeguards at the first alarm of danger rushed into the water. One brought in the unconscious form of the doctor, but the girl's body was not recovered. The double tragedy attracted several thousand excited persons to the scene. In the crowd was Mrs. John Klune, of Carbondale, Pa., mother of the drowned bather. She worked her way through the deep circle of people which surrounded the lifeguard at work, unconscious of the fact that it was her son from whom life had fled. She did not discover it until she was beside the corpse. The heart-drawn woman was removed from the crowd by friends.

UPRISING CHECKED.—A dispatch from Havana says that the efforts of a quartet of wild characters to cause an uprising in the vicinity of Bayamo, province of Santiago, have ended in the capture of their leader and the killing of the other three men. For weeks the four men had been attracting considerable attention in that vicinity, endeavoring to excite the people to treason and violence on the ground that the revolutionary forces had not been and were not likely to be paid. On Tuesday the party was overtaken by a detachment of the rural guard and the leader and the horses of the agitators were captured after some shooting on both sides. The

MRS. HELENA BLAU,

Young Milwaukee Society Woman.

THIRN thousand cured women have written to tell how Wine of Cardui bestows the blessing of health on every woman who takes it, rich and poor alike. Mrs. Helena Blau, No. 123 Seventh Street, Milwaukee, Wis., is one of the young women whom Wine of Cardui has rescued from a life of suffering. She writes:

"Wine of Cardui is certainly 'worn out' women's best friend and I am pleased to give my experience with it. A few months ago I caught a severe cold, having been out in inclement weather, which settled all over me, particularly in the abdomen. I was in almost constant pain. I consulted a physician and took his medicine for a month and without any relief. I then decided I would try your medicine and it was a lucky day for me when I did so. I noticed a change in a few days and felt encouraged to continue taking Wine of Cardui, and my patience was rewarded, for in two weeks my pains had left me and I felt like a new woman."

WINE of CARDUI

The woman who has suffered from female weakness should do anything within reason to secure health. Wine of Cardui is the medicine that appeals to reasonable women—women who hold operations and cutting in horror—women who know that Nature is the best physician. Wine of Cardui gives women back their health by giving Nature a chance to build up the wasted and diseased tissue. Wine of Cardui regulates the menstrual flow and Nature, when relieved of the drains or of the poisons in the system, makes the functional organs strong and healthy again.

Any woman who is silently suffering from pains because she is too sensitive to undergo a physician's examination and treatment can find no excuse for not securing relief when Wine of Cardui is offered to her. There is no publicity to deter her. She can take Wine of Cardui in the privacy of her home, with as much assurance of a final cure as though a dozen doctors recommended it. Many physicians do recommend Wine of Cardui to their patients. Why not get a \$1.00 bottle of Wine of Cardui from your druggist today?

A million suffering women have found relief in Wine of Cardui.

other three men were pursued until late Tuesday, when they were all killed. Several shots were fired at the guards, but not one of them was hit. The facts in the case were telegraphed to Senator Yero, secretary of the interior, by the Governor of Santiago. Senator Yero declares that this effectually ends the only semblance of uprising in Cuba. Only one of the party had belonged to the revolutionary army.

ODD FELLOWS' PARADE.—A feature of the Convention of the Sovereign Grand Lodge of the Independent Order of Odd Fellows in Baltimore next September will be the great parade on Wednesday, September 23, which will surpass in size and brilliancy any pageant of its kind that has ever passed along the streets of that city. It is estimated that at least 20,000, and probably 25,000 men will be in line, of which about 8,000 will be in military uniform.
